Dear Ms Ambrovics,

Subject: Major project application "Wastewater Collection and Treatment for the Tápió Region" – Cohesion Fund

I acknowledge receipt on 30 April 2010 of the application for Cohesion Fund assistance for the following project:

"Wastewater Collection and Treatment for the Tápió Region"

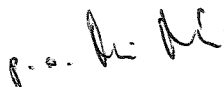

Please note that the following registration number is attributed to this application:

2010HU161PR002

I confirm that the submitted application is considered to be admissible.

I would like to draw your attention to the fact that the current admission of the application is not a commitment by the European Commission to actually co-finance the project. Following assessment of your application, the European Commission services may provide you with comments and ask for clarification and additional information.

Yours sincerely,

Marco Orani
